

## Sheet metal folder RED PLUS 3200/0.8mm/160\*

Sheet metal folders RED are a trademark of Prod Masz.

Each RED bending machine has a narrow bending beam, regardless of its length, it can be bent on 3 sides thanks to side cutouts, and it has 2 handles on both sides of the machine.

An additional advantage is more space inside the machine for processing.

### Description

maximum working length: 3200 mm

Bending capacity: 0.8 mm (steel)

1.2mm (aluminum, copper, zinc)

Bending beam thickness: 15 mm

Bending angle: max. 160 degrees

Upper beam opening: 80 mm
